

# 4x4 Mud Run Rules

## Stock Class

1. Must have working 4 wheel drive and tow hooks or chains
2. All sheet metal must be present including the hood. Bumpers are optional.
3. No cosmetic changes beyond paint work and safety features will be allowed.
4. Engine must match manufacturer. (Chevy truck must have a Chevy engine)
5. Exhaust modifications are allowed.
6. Roll bars highly preferred but not required.
7. Dual braking/turning brakes allowed.
8. Electric brakes, line locks, and trans-brakes are not allowed.
9. Engine radiators do not need to be in stock location.
10. Tranny coolers are allowed in back but must be shielded to protect the driver and passenger.
11. Nitrous, blowers, turbo chargers, or any other non-liquid additives are not allowed. All forms of racing fuels available, premixed for your fuel tank will be acceptable. Exception to the rule will be factory equipped "turbo diesel". Fuel cells and electric fuel pumps are acceptable because they are considered a safety precaution.
12. Must have no changes to the suspension system, which includes suspension lifts, added springs, or extra shocks. No body-lifts, chops, or extensions.
13. Must have street legal tires, 31 inches or shorter and 10.5 inches wide or thinner. Tires may be cut.

## Modified

1. Tires are 35 inches tall and 12.5 inches wide or thinner.
2. Nitrous is allowed.
3. No suspension limitations.

## Outlaw

1. Tires greater than 35 inches tall and 12.5 inches wide.
